**ELECTION**

Sir:

This is in response to the United States Patent and Trademark Restriction Office Action mailed April 20, 2007, which response is being made on May 21, 2007 (May 20, 2007 having been a Sunday), and for which no extension fees are due.

The Examiner has stated that the application contains claims directed to more than one species of the generic invention.

Applicants hereby select the peptide having SEQ ID NO:1 as the elected species.

Claims that read on the elected species are claims 1-23.

Respectfully submitted,

Martin D. Moynihan  
Registration No. 40,338

Date: May 21, 2007
